

The Director

20 December 1949

General Counsel

OCD Requirement

1. The attached requirement was received by OCD from the Economics Division, ORE.
2. Inasmuch as the paper concerned appears to be a White House document, OCD was uncertain how to handle the request and, therefore, consulted this office.
3. Inasmuch as present instructions restrict intelligence liaison with the White House to your office, it is submitted to you for indication of your wishes in the matter after discussion with the Deputy Executive.
